## SAN DIEGO FETES VICE PRESIDENT IN GALA DAY OF SPLENDOR

SAN DIEGO, March 29.—Vice President and Mrs. Marshall, Assistant Secretary of the Navy and Mrs. Roosevelt, and party, were escorted through the exposition today by a naval and military parade consisting of a battalion of coast artillery from Fort Rosecrans, a battalion of marines from the battleship Colorado and a squadron of the First Cavalry, each with a band.

The party made a short tour of the grounds and were tendered a luncheon by the exposition management.

Vice President Marshall made an address at 2:10 o'clock at the Plaza Panama, which was followed by a speech by Assistant Secretary Roosevelt.

Vice President Marshall and party will receive at the Cristobal Cafe from 7 to 7:30 this evening and then be guests at a dinner given by exposition officers.

The day was one of resplendent military and naval uniforms. Assistant Secretary of the Navy Roosevelt announced that the fleet was coming in July through the canal, to stay in the Pacific six months. Secretary of the Navy Daniels will accompany the fleet.

## FILES BRIEF TO BUST THE HARVESTER TRUST

WASHINGTON, March 29.—Attorney General Gregory has filed a brief in the United States Supreme Court in the International Harvester dissolution suit. He declares little limitation can be placed on any industrial institution's growth within itself.

## LOBBYISTS ARE DENOUNCED BY ESHLEMAN

SACRAMENTO, March 29.—Lieut. Gov. Eshleman today denounced in the Senate the lobbyists working in the guest room of the legislature. He said: "I don't want to speak again on this matter. The rules will be rigidly enforced from this time on."

A number of lobbyists quietly left the chamber and took seats in the gallery.

Several assemblymen today defended themselves for their stand on the non-partisan bill. Gelder, Sisson, Salisbury, Gebhart, M. B. Browne, J. J. McDonald, Schmitt, Bartlett, Ashley, Pettis spoke.

Gelder denied that he voted for the measure in exchange for his appointment as attorney for some state commission, as charged in a San Francisco newspaper.

The Assembly by a vote of fifty to twenty-four passed the Meer convict labor bill prohibiting convicts from working on highway bridges or doing other skilled work. The bill gives convicts two days off their sentence for each day's work on the highways.

The Lyons measure providing employers must pay wages within five days after employees leave their service or pay double time for each day's delay has passed the assembly. It supplements the law providing for a prison term in such cases, which was declared unconstitutional.

### THE WEATHER

## Hope is Abandoned for Crew of Submarine in Honolulu Sea-Grave

WASHINGTON, March 29.—Admiral Blue, acting secretary of the navy, has cabled to Rear Admiral Moore requesting definite information as to the exact location of the sunken submarine F-4 in the hope of clearing conflicting reports.

Blue stated that if the submarine is two hundred feet down, it is doubtful if it can be raised.

SAN DIEGO, March 29.—Terrible, just terrible, but we must remember the failure of the submarine to rise is only one of the things to be expected in a great navy and congratulate ourselves that we have escaped similar disasters. The officers and crew of the F-4 have probably gone to their death as heroes. The nation will grieve for them.

This was the statement of Assistant Naval Secretary Roosevelt here today.

## RIGHT TO SOLAR PLEXUS HELD JOHNSON'S BEST BET

HAVANA, March 29.—The 45-round championship bout one week from today, between Jack Johnson and Jess Willard, will develop into an Alphonso-Gaston affair for the first fifteen rounds unless the negro shifts from his famous defensive attitude or can force Willard to assume the offensive.

This was made practically certain today when Willard announced that he intended to take things easy for the first fifteen or twenty rounds, hoping to tire out the black champion.

Johnson grinned when told of Willard's intention.

"That's a good resolution on Willard's part," said the negro, "but I believe Jess will see some healthy rushing long before the fifteenth round. There are tricks in all trades. Jeffries was also determined not to rush me. He was going to wait until I started to rush matters, but Jim did all the rushing, all right."

"How do you expect to win," the negro was asked.

"With a knockout," he answered.

"I have two punches that usually bring home the bacon. Willard is going to get one or the other. One is a right to the solar plexus; it's a bad baby, too. The other is a right uppercut, delivered as the other fellow comes into a clinch."

Freddie Welsh and Battling Nelson were matched today to battle 45 rounds in this city some time in May. Johnson's fight with Willard will be his last engagement in the ring, according to announcement by the black champion today.

## SHIPS SPEED TO HELP DISABLED SCHOONER IN MID-OCEAN

SAN FRANCISCO, March 29.—With aid being rushed from two different ports in California, it is expected the steam schooner O. M. Clark, lying helpless several hundred miles from land after having broken her tailshaft, will be located and aided some time tomorrow.

The Clark's plight was made known by Mate McAllister and four members of the ship's crew who reached Port San Luis after a hazardous trip of eight days in a small open boat.

The salvage tug Inaqua is already far out to sea in a hunt for the Clark and the coast guard cutter McCullough is leaving San Pedro today on the same quest.

## GIRLS MIXED UP IN HOT FIGHT IN L. A. CITY ELECTION

LOS ANGELES, March 29.—Rumors are rife about the city hall today that because of recent developments in the mayoralty situation there is likely to be a conference of citizens similar to the municipal conference of 1913, called to name or endorse a municipal ticket.

Nominations for municipal officers close April 5.

Assistant District Attorney Dean today declared that threats "to get him" had been made in connection with the investigation by the grand jury of charges made by girls against Chief of Police Sebastian.

Other new developments in the probe and counter charges that have furnished the city the biggest political sensation in years will follow.

A mysterious young woman who was questioned for an hour in the district attorney's office Saturday and then taken away, has been identified. It is claimed, as Edith Serkin, a sister of Mrs. Lily Pratt, who charges she was offered \$800 to discredit Sebastian.

The next development was the assertion from the district attorney's office that they had started the probe and intended to bend every effort until they were through.

Subpoenas for a number of witnesses to appear before the grand jury have been issued.

BALTIMORE, March 29.—A local firm has sent a representative to Paris to bid for the privilege of supplying Mme. Sarah Bernhardt with an artificial leg.

## ARE DISPLAYING DOLLAR DAY PLACARDS

Today the Dollar Day window cards, bearing numbers of which 100 or more will correspond with the numbers on the margin of the Register's big special Dollar Day edition of Wednesday and will win prizes are being distributed to practically every merchant in Santa Ana.

Every merchant is urged by the M. & M. committee to get his window card on display as soon as possible.

The committee is confident that not a merchant or business man in the city has been overlooked. However, should there be some who have not yet secured window cards, they are urged to get in touch immediately with any one of the following, composing the M. & M. Dollar Day committee: Walter Vandermast, J. Clyde Horton, Hugh Lowe, Raymond Miles or E. B. Trago.

Friendly Support

J. P. Baumgartner and J. Clyde Horton, committee on publicity for Dollar Day, who toured Orange county Friday, report that merchants everywhere are heartily in favor of the Dollar Day movement.

Business men all over the county assured the committee that they approve of Dollar Day as a medium to more closely cement the friendship and good will which obtains between the various cities. In spite of the fact that Santa Ana's Dollar Day is competitive with merchants in other county cities, the merchants everywhere evinced friendship and cordiality toward the project.

The newspapers of neighboring cities approve of the Dollar Day idea and the committee has reason to believe that Dollar Day will receive much favorable comment in their columns this week.

Get in Parade!

"And don't forget or neglect the big auto parade throughout the county Wednesday, March 31," said Walter Vandermast, of the Dollar Day committee.

All merchants who have autos are urged to participate in this parade, and those who have not autos of their own are urged to join the procession in some other man's auto—there will probably be room for all. Many who have big machines will not be able to fill them with their own force or members of their immediate families.

THESE are actual photographs of the sinking of three victims of the Prinz Eitel Friedrich. They were obtained from one of the prisoners on the German warship now held at Newport News. They are: The French ship Jacobsen, sunk off Chile January 28—shown in top picture; the British ship Mary Ada Scott, sunk off Chile February 18—shown in middle picture; and the American ship William P. Frye (lower). The Prinz Eitel sank, in all eleven ships and from them captured about \$2,000,000 in gold.

## KILLS HUSBAND BURIES BONES IN POST-HOLE

MARTIN, Tex., March 29.—Admission that she killed her husband, burned the body and buried the bones in postholes, was made here today by Mrs. Kate Wrigonski, according to the police. The charred bones were found in the post holes. The woman attempted suicide, hacking her arm with broken glass, but the attempt failed.

## W. U. TELEGRAPHERS TAKING STRIKE VOTE

ST. LOUIS, March 29.—Western Union telegraphers are taking a strike vote today because thirty-eight members were discharged for joining the union, according to statements of S. J. Konekamy, president of the Commercial Telegraphers' Union of America. A mediation appeal has been sent Secretary of Labor Wilson.

—Dollar Day April 3—

## THE CITRUS MARKET

NEW YORK, March 29.—Forty-nine cars oranges, three lemons sold. Extra fancy—Strong, 10 cents higher. Ordinary and poor stock—Steady. Lemons—Firm. Averages—Oranges, \$3.02. High—est—Moose, \$3.05. Weather—Fair; temperature, 38 degrees.

## DOLLAR DAY BARGAINS ARE NOT CONFINED TO SUM OF DOLLAR

Those looking forward to Dollar Day as an opportunity to get big values for their money should not make the mistake of thinking that big bargains in small amounts only will be offered. While everybody will specialize on exceptional values in amounts of one dollar, all will offer proportionate bargains in larger amounts.

Where values ranging from \$1.50 to \$2 and even higher will be offered in the \$1 specials, it will be found that suits of clothes, hats, shoes dress goods, tailored suits, furniture, trunks, traveling bags suit cases, guns and sporting goods, groceries—in fact, goods in all lines and to the utmost limits of one's needs will be offered at discounts ranging from 25 per cent to 50 per cent.

Don't think for a minute that because it is Dollar Day you can get bargains in dollar amounts only.

## THAW HEARING PUT OFF UNTIL NEXT WEEK

NEW YORK, March 29.—Habeas corpus proceedings brought by Harry K. Thaw to prevent taking him to Matteawan Asylum were postponed today until April 5.

## MILLION-DOLLAR FIRE HITS QUEBEC, CANADA

MONTREAL, Quebec, March 29.—Fire, believed to be of incendiary origin, today destroyed several tons of hay stored in sheds along the water front. The loss exceeded \$1,000,000.

## BAD CHECK MAN PASSES THREE BAD ONES

Warrants for the arrest of Frank Stewart on a charge of passing bogus checks may be sworn out by one or more local merchants who are losers as a result of Stewart's operations.

Utley & Mead, Joe Tillotson and The Fair were victimized Saturday afternoon.

The Frank Stewart who is wanted by these merchants is said to be not unknown to them. He is about 6 feet in height, has a sandy complexion, weighs about 175 or 180 pounds and is between 25 and 30 years of age.

Saturday afternoon Stewart was in Utley & Mead's furnishing goods store and secured a number of articles, including a Stetson hat, size 7 1/2. Harold Brown, the clerk who waited on Stewart, took a check for \$11.25 and returned change to the amount of \$6.25 to Stewart. Brown is certain that Stewart has been in the store before. For this reason he had no hesitation about cashing the check.

Stewart left Utley & Mead's wearing the Stetson hat. When he walked into Tillotson's furnishing goods store he was not wearing the new hat nor had he any bundles. This makes it appear as though Tillotson's was visited first.

At Tillotson's Stewart got goods to the amount of \$2.75, the balance of a \$9.75 check being returned to him in change.

J. Mosey, proprietor of The Fair, lost \$7.55 in cash, this amount being returned as change. The check offered by Stewart to Mosey was made out for \$9.75. Union suits were secured at The Fair by Stewart.

Each check presented by Stewart was made out to him by D. J. Haberbosch. The one passed on Utley & Mead was No. 5, that on Tillotson No. 7, and that on Mosey No. 6. The First National Bank returned the checks to the stores as worthless. The handwriting of the endorsements of the Utley & Mead and Mosey checks differ, though both purport to have been the signatures of Stewart.

## DESPERATE FRAY IS RESUMED BY MOSLEMS AND ALLIED FLEET

LONDON, March 29.—The African liner Falaba, with a hundred and forty passengers was torpedoed by a German submarine Sunday, the admiralty announces. Eight of the passengers and crew were drowned. The survivors reached Cardiff today. The vessel, the first big liner submarined, was attacked off Milforhaven, Wales, a fortified harbor north of Bristol Channel.

When Captain Toft sighted the periscope the submarine signaled to the Falaba to lower her boats. Most of the passengers were in the dining room when the vessel stopped.

The passengers were not all off before torpedoes were launched. One struck the Falaba near the engine room and a terrible explosion followed.

A panic ensued. Boats were lowered as rapidly as possible.

The first three were swamped and the occupants thrown into the water. Other boats rescued most of them.

The submarine circled around, offering no assistance to the drowning passengers and finally dived and disappeared.

BERLIN, March 29.—The pursuit of the Russian invaders in East Prussia, whose aim was the capture of Tilsit, is continuing, according to an official of the general staff in a statement here today.

The Germans are declared in the statement to be invading Russia and have already begun to storm Taurigen, near which town they have taken 300 prisoners.

Heavy Russian losses are reported in the district of Krasnopol, where the Germans captured more than 1000 men from a cavalry squadron.

In the western theater the day is described as "rather quiet."

ROME, March 29.—The Russian embassy here today received a dispatch from Petrograd stating the Austro-German armies in the Carpathians and Northern Hungary are in full retreat.

BIRMINGHAM, Ala., March 29.—A steady stream of Italian reservists is flowing through here today bound for their native country. Several hundred are expecting the call to arms, it became known here today.

PETROGRAD, March 29.—Pouring through Dukla Pass three Russian army corps, consisting of 120,000 men all told, have captured five Hungarian towns in the district of Saros, according to advices received today by the war office from the Carpathian front.

Two new Russian victories in Poland are officially reported. One is on the Skwa river, the other near the Pilica.

The Russian drive through Dukla Pass resulted in the Russian occupation of Buszow, Al-Polyanka, Shoro, Al-Komarka and Czertesz and also the important railroad towns of North Bartfield and szvidnik.

PETROGRAD, March 29.—"Two German submarines are known to have been sunk in the Baltic Sea, and two others probably were destroyed."

This statement issued by the admiralty today, caused great rejoicing in the capital.

It is declared one of the German craft was sent to the bottom by the Russian armored cruiser Banyan. Another was destroyed by the Lettuchi, a Russian destroyer. The two other German submarines are believed to have met disaster by striking mines.

BERLIN, March 29.—General Alexander von Kluck, one of the leaders of the German dash on Paris last September, has been wounded at the front, it is officially announced today. His injuries were slight and caused by bursting shrapnel. His condition is said to be entirely satisfactory. He is now inspecting the German trenches.

BERLIN, March 29.—Roumania has officially announced she will remain neutral, according to the Bucharest correspondent of the Frankfurter Zeitung.

BERLIN (via Amsterdam), March 29.—The government announces today that the price of flour will be lowered April 1. It is claimed there is plenty of flour to feed the nation until the next crop.

NO MATTER WHO WON, GAME SATURDAY WAS A WINNER

The fans who braved the inclement weather Saturday to see the Sherman Indians and Santa Ana Poly mix were treated to a brand of ball calculated to make the Boston Braves turn green with envy. It was an exciting eleven-inning battle climaxed by postponed rallies both on the part of the Redskins and Coach Hall's consorts. When the big inning started the two teams were tied, two to two. The Indians annexed three runs off Carver in their half, although due to the excitement there was a disagreement, some claiming they scored but two, while others say three. Then Poly staged an almost come-back, nicking La Rose, the visiting heater, for two tallies. The final score was 5 to 4, Sherman winning.

PLAVAN AND HAMAKER WIN PLACES IN ALL SOUTHERN

Santa Ana high school scored four points in the Southern California Interscholastic track and field meet Saturday in Los Angeles, due to the efforts of Captain Ernest Plavan and Leonard Hamaker. Plavan lost first place to House of Riverside in the broad jump by one-eighth of an inch while Hamaker took fourth in the 120-yard high hurdles. The big meet was carried off by Manual Arts high school of Los Angeles, Long Beach high taking second, all their points being won by two men, Lea Wark and Thompson. The local school led the county in points won, Fullerton winning three and Anaheim two, Orange failing to place. Hard Luck Plavan was the victim of some hard luck in the broad. Up to House's last jump the local boy maintained a safe lead but as luck would have it the Riverside man bested Ernie's mark by one-eighth of an inch. Hamaker finished a good fourth in the high barriers. Johnny Criddle and Bernard Packard, the two other local boys who completed did not place, although both showed up well against the pick of the south's best athletes. Records Go Two records were broken and two equaled in the meet. Thompson of Long Beach and Bidwell of Glendale set up a joint record for the high jump, both clearing 6 feet, 1 3/4 inches. The Manual Arts relay team also broke the standing record. Harry Lampert of Manual equaled the 220 hurdle mark, his time being 25 3/5 seconds. George Maurer of the same school tied the pole vaulting record at 11 feet 9 inches.

FROM AEROPLANE TO REFEREE AUTO RACE

Los Angeles Times: A new field has been found for the aeroplane. After dropping bombs for several months and incidentally killing off a lot of peaceful aviators on the side, the aeroplane has turned in on the automobile sport. Glenn Martin, air pilot, sportsman and technical expert, is to referee the Burman-Disbrow-Cooper match race next Sunday from his tractor biplane. Yesterday Cooper asked Martin to referee after the three drivers had agreed to the aviator at the end of a long argument. Martin agreed and said that he would drive out to the track in his aeroplane. When Burman heard that the flier was to have his aeroplane on the field he called him on the phone and asked him to referee the race from the seat of his flying machine. To this Martin agreed, also. The drivers assured him that they would do all in their power to make his work easy and would observe the rules strictly. Dollar Day April 3

**ONCE-OVERS THROUGH THE SPORT'S SPYGLASS**  
There is a rumor afloat that money is scarce and yet a lot of people will pay regular coin to see Freddy Welsh in the act of imitating a pugilist. The press agent who called Willard the leading white hope must have had an awful grudge against white hopes. The new bike track constructed in Chicago will be capable of seating 10,000 people, but where is it going to get the 10,000 people? Conducting the Willard-Johnson fight in Havana seems to be almost as profitable as manufacturing ice in Greenland. Fred Welsh believes in making concessions to the promoter. He is willing to accept 100 per cent of the gate receipts and let the promoter see the fight for nothing. The report that Freddie Welsh and Bat Nelson are matched leads one to suspect that somebody has been desecrating a cemetery. Connie Mack asserts that he wants young men on his team. Is that why he sold Eddie Collins?

MEAT INJURIOUS TO THE KIDNEYS

Take a Tablespoonful of Salts if Back Hurts or Bladder Bothers  
We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Advertisement.

## SCHOOLS ARE TO ELECT BOARDS ON FRIDAY

Friday of this week elections are to be held in all of the school districts of Orange county, except Santa Ana. At least, elections should be held. Here and there a district may be found where it will be overlooked.

The hottest campaign, and so far as known here the only campaign where there is any strong fight, is in the Fullerton Union High School District, where an attempt is being made to oust Principal Delbert Branton.

Huntington Beach Union High School District is to elect three trustees; Fullerton, three; Orange, two; Anaheim, two. The common school district will elect at least one each. Under the state law the polls are to be open from 8 a. m. to 6 p. m. in districts where the daily average attendance is over 400, and in others the polls cannot open before 9 and must be open four hours, the hours to be designated in the call of election posted by each school board.

### Fullerton's Troubles

Delbert Branton, principal of the high school, seems to be the principal issue in the Fullerton Union high school election. In that district three trustees are to be elected to serve on the board of the district. Two of the trustees to be elected will serve three year terms and one a one year term.

The Brea Progress states that there have been many complaints regarding the methods of Principal Branton, and a warm contest is expected. Two factions have formed, one of which is strong for Branton and will not consider any other applicant for the position.

The other faction wants the charges against Branton to be fully investigated. Their candidates are in the race absolutely unpledged. If there is an applicant for the position whom they think will do better than Branton they will give him their support. If not, they will support Branton and avoid any friction as they do not want to be considered against him without good cause.

L. B. Steward and O. A. Kreighbaum of Fullerton are running for election as Branton candidates; M. M. Godege of Brea and W. L. Hale of Placentia as unpledged candidates. G. W. Bird of Brea is claimed by both factions, but is in reality an unpledged candidate. The election of two candidates will give either force control of the board, as one of the trustees filling an un-expired term is supposed to favor Branton, while the other is known to be opposed to him.

It is the contention of the Branton supporters that the unpledged candidates must be either for or against Branton, and that they cannot be on the fence. The Brea Progress says: "This makes the position of the unpledged nominees the harder to maintain, but in spite of that it is the most logical choice. It is going pretty strong to say that a man is the best to be had when there is no knowing how his ability will compare with that of others who might apply for the job."

"Aside from the Branton phase of the election, Brea and the La Habra valley are in need of better representation on the high school board. The unpledged candidates, two from Brea and one from Placentia, will be better able to work for the interests of the outside districts than would men from Fullerton."

## GRAIN MEN WIN CASE AGAINST RAILROADS

Today word was received by the Olive Milling Company that the grain men who had united to fight the proposal to increase freight rates on grain shipped from Idaho and Utah to this section had won a decision from the Interstate Commerce Commission.

The raise in rates will not be made. Since the milling company gets a good deal of grain outside of the state the decision is of considerable interest to stockholders of that company, as well as to others interested in milling and grain.

## ANTS CONQUERED

The Experience of a Los Angeles Baker With These Annoying Pests

Some years ago a bakery and candy-making establishment in Los Angeles was on the verge of being driven out of business by millions of ants—which got into the sugar, raisins, candies and cookies—and completely over-ran the entire place.

All kinds of remedies were tried upon them without result. Driven desperate by the scourge, the proprietor experimented for months in an attempt to devise something that would rid him of this plague.

He finally prepared a paste which produced results far beyond his most sanguine expectations. Once spread around the shop, it seemed to have almost a supernatural effect upon the ants. They were attracted to it from every nook and cranny of the establishment and fed upon it ravenously.

The following morning not an ant was to be found from one end of the shop to the other—and for thirty days thereafter the place was completely free of the pest. At the end of that period, a new colony of ants appeared, but a single application of the magic paste again produced the same surprising result.

News of the great discovery soon spread, with the result that a general demand was immediately created for the wonderful paste. So great was the demand that it was deemed advisable to place it upon the market under the name of Kellogg's Ant Paste. Once introduced, a tremendous demand was created in all parts of the country—necessitating the building of a large factory in Los Angeles to turn out the paste in immense quantities.

Kellogg's Ant Paste is put up in packages provided with a patent rat cap, which not only assures the purchaser that he is getting the genuine article, but also provides a warning day or night, that the contents are poisonous. It is always well to look for the rat cap, as imitations naturally have sprung up. The genuine Kellogg's can be obtained at all good drug stores.

Having married Frank T. Kuranaga, then a rich tea merchant of San Francisco, Mrs. Leoanna Cook Kuranaga, the daughter of well-to-do Caucasians, is having a hard time to free herself from the tie that binds. The road she is traveling is so hard, in fact, that she foiled in Los Angeles in her request to have her second suit for divorce dismissed. Mrs. Kuranaga became almost hysterical. The woman claims to be a resident of Orange county. It is probable that the residence was established merely that she might bring suit for divorce in Santa Ana.

She has tired of her Japanese husband, whose wealth was swept away in the San Francisco fire and who is rehabilitating himself at Redondo Beach as an auctioneer. Her alliance with an Oriental estranged her from her white friends. She says she was infatuated with Kuranaga, but when the sledding got hard the romance dimmed.

Her request for a dismissal failed because she did not take into account that she had employed an attorney. He must act for her. The county clerk referred her to Presiding Judge Wood, but the latter could not help her, and Mrs. Kuranaga sobbed as she left the court room.

The real reason for the dismissal, aside from the fear of appearing before Judge Monroe, who denied a former suit, is that Mrs. Kuranaga proposes to go to Reno and there sue for divorce. It was in Los Angeles twelve years ago she married Kuranaga, a marriage which created a sensation as, the ceremony could not be performed in this state. When her first suit was denied she filed suit in Orange county, but Kuranaga asked for and was granted a change of venue to this city. The link between the couple is June, their 10-year-old daughter.

## PLANT TREES IN WESTMINSTER SQUARE

Saturday County Forester Grant turned over to a committee from Westminster about sixty trees to be planted on the public square at Westminster. The people of Westminster propose to improve the block by planting it to trees and eventually by making it into an attractive park. In that work the Board of Forestry will co-operate.

The trees turned over to James A. McFadden of Westminster by Grant included six golden acacias, six feather-leaf acacias (mollissima), six acacias floribunda, sixteen oaks, five fan palms, five date palms, five Jerusalem pines, six Pittosporum undulatum and six Arizona cypresses.

On Friday County Forester Grant went to Placentia and set out on the school grounds sixteen golden acacias, nine Pittosporum undulatum, one oak, five acacia floribunda. Ninety fig vines were planted to grow on the walls of the building.

Through the action of the Board of Forestry trees from the county nursery are furnished the schools free of charge.

### THE PROFITS OF GARDENING

The motives that persuade the householder to start in spring a back yard garden are perhaps more philosophical than mercenary. Many men have a contemplative and pastoral liking for "seeing things grow." The culture of infant beans and potatoes offers something of the same pleasure that comes from raising babies or dogs. The battle with pests and obdurate soils is a game of wits. When the harvest is reached there is a satisfaction in your good mess of "garden truck" not to be had from any vegetables bought of the grocer.

The cost of food has reached a point where the money motive ought also to tempt a good many people who possess a back yard to raise a garden. It is often said that these little home patches do not pay, that after you have deducted cost of fertilizer and seeds and labor hired, you have nothing left. It is true that a first year attempt shows many failures. Mother Nature is a shy sort of a customer. It takes experience and practice to adapt your beans, peas or squashes to her habits. Once you learn the game, the power of sun and soil and water are sure.

Many of us have become too averse to physical labor. As boys, most of us dug and hoed in our father's gardens and thought nothing of it. As men we hire some superannuated laborer to work over the land, who charges us \$2 per day for what an active man could do in half the time. No wonder there is no credit account at the end of the season.

Any indoors worker will be surprised, if he will give four or five hours a week to back yard agriculture, to find how much better muscle, wind and digestion he has at the end of the summer. There may be no money profit the first time. Another summer should give you all the fresh vegetables of the season for practically nothing.

### AIRMEN SHELLING CONSTANTINOPLE

(CONTINUED FROM PAGE 1)  
in the war. Preparations continue and everything is in readiness but Premier Salandra, and the Cabinet are moving slowly. Eighteen persons, arrested for a demonstration before the Austrian Embassy, will be severely dealt with.

LONDON, March 29.—Constantinople is today shaken by the roar of Russian guns and is bombarded from the air, for the first time in history.

Petrograd and Balkan dispatches report the Russian fleet again shelling the Bosphorus forts, with shells falling within twelve miles of the city.

Airships have inflicted heavy damage on the Pera suburb.

Part of the population is fleeing in panic toward the interior.

Constantinople officially admits the Russian attack but denies extensive damage.

Petrograd announces that a Turkish merchantman was hit by shells, burned and sunk.

Fire from the forts prevented Russian boats which put out rescuing the crew.

FISHGUARD, England, March 29.—The Aquita, a Liverpool steamer, was torpedoed off Bishop's. The captain and twenty-two of the crew were landed here.

PETROGRAD, March 29.—Eight German torpedo boats have been damaged by "blundering night attacks" in the Baltic, it is officially announced.

ROME, March 29.—Martial law will become effective throughout Italy on April 1, when the military will take over the telegraph, telephone and railroad lines.

This was learned here today from an official source.

Mobilization orders come next and are expected momentarily.

PHILADELPHIA, March 29.—The dreadnaught Alabama sailed for Newport News this afternoon on duties incident to United States neutrality.

BASLE, Switzerland, March 29.—Several Italian regiments of infantry departed suddenly from Como today. It is announced the troops left Como for target practice, but it is generally reported they are really en route to the Australian frontier.

BERLIN (via Sayville, March 29.—Another great battle which began Saturday is raging at Bukovina between the Austrians and Russians, according to a dispatch tonight from the Budapest correspondent of the Lokal Anzeiger. The Russians near Bajan have been repulsed with heavy losses when they tried to encircle the left wing of the Austrian army, according to German claims.

CONSTANTINOPLE, March 29.—A British defeat near Basras, in the Persian gulf sphere of war operations, is officially reported today.

### DOLLAR DAY BARGAINS ARE NOT CONFINED TO SUM OF DOLLAR

Those looking forward to Dollar Day as an opportunity to get big values for their money should not make the mistake of thinking that big bargains in small amounts only will be offered. While everybody will specialize on exceptional values in amounts of one dollar, all will offer proportionate bargains in larger amounts.

Where values ranging from \$1.50 to \$2 and even higher will be offered in the \$1 specials, it will be found that suits of clothes, hats, shoes, dress goods, tailored suits, furniture, trunks, traveling bags, suit cases, guns and sporting goods, groceries—in fact, goods in all lines and to the utmost limits of one's needs will be offered at discounts ranging from 25 per cent to 50 per cent.

Don't think for a minute that because it is Dollar Day you can get bargains in dollar amounts only.

A conference of directors, managers, buyers and salesmen of the Santa Ana Wholesale Grocery Company was held in the directors' room of the company's Santa Ana office on Saturday, March 27, at 4:30 p. m. Those present were: J. S. Smart, president, Santa Ana; E. J. Cranston, director, Tustin; A. E. Bennett, director, Tustin; C. A. Miller, director; W. W. Simon, director; D. E. Prall, M. H. Sexton; F. G. Freeman, director and salesman, all of Santa Ana; Marshall L. Keeper, Garden Grove; C. R. Gilbert, Long Beach; C. F. Irish, Long Beach; W. B. Martin, San Bernardino; D. D. Adams, Wilmington; Halsey Lamme, Santa Ana; H. Herrick, Santa Ana; P. W. Smith, Tustin. These comprise the entire force of the departments mentioned except Mr. F. H. Petro, who was unable to be present on account of an automobile accident which occurred early in the afternoon.

After the conference at the company's office the entire party was served with a very substantial dinner at the Dragon.

This is the first meeting of the sales force with the management since the opening of the company's branch at Wilmington and the occasion was of more than ordinary interest on account of this fact. The business for the company for the year thus far was reported as being quite satisfactory, showing a substantial increase over a year ago, with the outlook quite encouraging in view of the uncertainty caused by the war and crop conditions in this section. It is expected that similar conferences will be held hereafter at least as often as once in three months.

### PUEBLO BANK CLOSES DOORS AFTER LONG RUN

PUEBLO, Colo., March 29.—The Mercantile National Bank of Pueblo, with a capital of \$250,000 and deposits of \$1,500,000 closed its doors today by order of the comptroller of the currency. The action followed a run of several days on the institution.

### WOMAN'S NECK CUT IN CRASH

An accident which resulted in painful though not serious injury to Mrs. Frank Petro occurred Saturday at 3 o'clock, when the Cadillac roadster driven by Frank Petro, traveling salesman of the Santa Ana Wholesale Grocery Company, collided with the Aliso milk delivery auto driven by Tom Chune.

Mr. Petro, accompanied by his wife, was coming east on First street at a moderate pace when the Aliso dairy wagon turned off Lacy street, the two machines colliding with such force as to throw Mrs. Petro against the windshield of the Cadillac when the crash came.

She received a deep gash on her neck just under the jugular vein, and her face was painfully though not seriously scratched and bruised.

The injured woman was hurried to the Santa Ana hospital where her injuries were dressed and she is doing nicely today.

The windshields of the two machines were broken into pieces, the frame work of the Aliso dairy machine being slightly damaged though both drivers escaped without injury.

## MERRY SURPRISE

### Wedding Anniversary of Popular Santa Ana Couple is Happily Celebrated

Saturday marked the twenty-seventh milestone in the happy married life of Mr. and Mrs. John Gebhardt of North Bush street, and in honor of this important event, their two daughters, Mrs. R. C. Langendorfer and Miss Grace Gebhardt, ably assisted by Miss Ada Belle Seebra and Mr. Roy Seebree, succeeded in giving them a very happy surprise.

The "bride and groom" of twenty-seven years, were celebrating the day by a trip to Laguna and upon their return they were greeted by a merry company of friends and relatives who showered them with appropriate gifts and hearty congratulations.

The home had been beautifully decorated with artistic bouquets of bridal wreath, these same pretty flowers being arranged in a basket as a centerpiece at the dining table, the graceful sprays trailing upon the snowy linen. Places were marked by pretty cards in pink rose design and the tint of a pink and white color scheme were observed throughout the serving of the delicious "wedding dinner."

After dinner hours were whiled away with a pleasant social visit, and among those who joined in the delightful affair, honoring this popular Santa Ana couple, were Mr. and Mrs. H. Hamilton, Mr. and Mrs. Benton Ballou, of Ontario; Mrs. Sanford Ballou and son, Ernest, of Pasadena; Mr. and Mrs. Fred Andres, Mr. and Mrs. Ray Longendorfer and Mrs. Savage, of Garden Grove; Mr. and Mrs. John Hinzenga, of Iowa; Mr. and Mrs. Chas. Andrews, Misses Ada Belle Seebra and Grace Gebhardt and Roy Seebree.

Resumes Conservatory Position  
The many friends and pupils of Mrs. Dudley Page Harper will be delighted to hear that she has resumed her piano teaching with the Orange County Conservatory of Music.

The very recent vacancy in the conservatory faculty caused by the illness of Miss Kathryn Ballew, who will probably soon return to her former home in the East, will be most acceptably filled by Mrs. Harper, long a pupil of Mr. Gustlin, the Conservatory, and thoroughly familiar with the methods and high standards of the Conservatory.

Mrs. Harper will have charge of the Conservatory branch at Orange, in which place she is quite well known through several months' residence there.

A part of Mrs. Harper's time will be given to professional accompanying in which rare art she is no less mistress than as soloist or teacher.

## CIVICS CLUB NOTICE

### Clean up Committee Gives Delinquent Citizens a "Last Chance"

Only a few more days of the Civics Club "Clean-up Week" remains and general observations indicate that this movement has brought about very satisfactory results.

Many vacant lots have been cleaned of weeds, and the number of well-kept lawns and clean backyards of the majority show that the residents, as a whole, are awake to the fact that cleanliness is a city's most important asset. On the other hand, some places were observed where conditions are not as they should be. Lawns are neglected, backyards full of rubbish and many vacant lots, the property of prominent citizens, need immediate attention.

The members of the publicity committee have in their possession photographs taken of unsightly backyards and other places of rubbish, and if these property owners do not comply with the request of the Civics Club within the next few days they will see their places as others see them.

If the head of every household and the 3000 pupils enrolled in our schools, could be induced to become interested in this clean up campaign, the work could be accomplished in a remarkably short time. However, as it is a question pertaining to the health of our citizens, the Civics Improvement Club members feel assured of their support and assistance.

## EBELL MEETING

### Members Enjoy a Musical Treat—Nominations Made For New Officers

The regular March meeting of the Ebells society was held on Saturday afternoon at Elk's Hall. A large number of local club women and guests were present, knowing from past experience the musical feast in store for them in a program by Mrs. Neel Lockwood McCune of Los Angeles and her brilliant accompanist, Helen Lot-speich Gale.

A report was received of the progress made in the organization of an Associated Charities bureau, a philanthropic movement worthy of the energy and interest being given it by Ebells members and other bodies interested in the betterment of conditions among the poor.

A report was also received from Mrs. A. J. Crookshank in regard to the entertainment for the benefit of the Day Nursery, to be given at the n.w. Tustin School House on the evening of April 9th.

Delegates and alternates were chosen to attend the annual meeting of the Orange County Federation of Women's Clubs to be held on April 14th, instead of on April 7th as previously announced at Newport Beach. The list of delegates and alternates follows:

Delegates: Mesdames S. W. Stanley, W. M. Smart, Willis Blue, C. F. Crookshank, Miss Lulu Minter, Mrs. D. C. Pyle and Mrs. R. R. Shafer.

A primary election for the nomination of officers to be voted upon at the regular election in April, was held.

Mrs. McCune's program for the afternoon was entirely Oriental, the songs being from the Egyptian, Persian and India. A remarkably beautiful Oriental setting had been prepared, and Mrs. McCune and Miss Gale both appeared in Oriental costume. Mrs. McCune's beautiful voice, and her remarkable dramatic talent, are greatly appreciated by Ebells audiences before whom she has appeared several times. Her splendid Indian program given here last year was one of the most enjoyable musicales ever given before the Ebells society, and those who had heard and admired her then were in no way disappointed in Saturday's interesting program. Miss Gale is also a warm favorite, and her work as accompanist was a feature that added much to the enjoyment of the music lovers. Mrs. McCune's program follows:

Sacred Songs and Chants of Egyptians  
Call to Prayer (Chant of the Muezzin—sung in the language of the Egyptian)

Invocation to the Sun God, Ra (Thomas)

Invocation to the Nile (Bantock)

La Ilaha Illallah "There's no Deity but God." (A Dervish chant sung as they sit on the floors, and beside their doorsteps.)

The Unutterable (Bantock) (I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage.)—Ex. 20-2.

Songs of Persia

Drinking Song (Bantock)

Design my voice to hear (An old Persian Melody)

In the Harem (The story of the carpet)

Rustic Song (Persian folk song sung by the doorkeepers and ploughmen while at work in the fields.)

Persian Love Song (Burmeister)

The Worldly Hope Men Set Their Hearts Upon (Lehmann) (From the "Persian Garden" Words by Omar Khayyam)

Dance of the Orient—Songs of India

The Nautch Girl (Bantock) (The Nautch girl is the dancing girl of India)

Snake Charmer's Song (Sung in the language of the Hindoo) (This is sung by the charmer to the trained snakes, the song is intended to hypnotize the snakes and make the charmer immune to all bites of poisonous reptiles)

Indian Love Lyrics (Finden) (a) "The Temple Bells;" (b) "Less Than the Dust;" (c) "Kashmiri Song;" (d) "Till I Wake."

## Enjoyable Musicales

There is always a peculiar charm about the way children do things and especially so when the performance has been intelligently guided along artistic lines. That the child's education in all branches has received extraordinary scientific and psychological treatment in very recent years is a fact to be devoutly thankful for.

In no line of education more than in music have methods and means been so wonderfully revolutionized. The modern musical kindergarten systems such as the Burrows, Fletcher, Ellis and others, have made the study of the master art—music—a thing of joy to the child instead of drudgery as in the not very olden time.

To those who attended the Saturday afternoon recital by some of the little folk of the Orange County Conservatory of Music who are under the special direction of Miss Estelle Jessup, a Burrows graduate, the work in many respects was no less than amazing.

Some were so tiny that they had to be fairly lifted upon the stool, but their little hands needed no assistance in gliding merrily over the keys in passage work of scales, arpeggios, chords, etc., often of no little difficulty. Interesting rhythm drills, note writing from memory, kindergarten songs, duos, accompaniment demonstrations, etc., added greatly to the interest of the program.

All pieces were presented as usual from memory with well marked rhythm and melody, technical ease, and, about all, due regard for phrasing, tone, quality and all that goes to make up that most essential quality, expression.

The pupils having part were Gerald Price, Adele Johnson, Mildred Whitson, Charley Dawes, Margaret Zimmerman, Robert McKean, Ortensia Barrios, Beatrice Barrios, Corinne Skiles, Margaret Overman, Helen Meyer, Effie Jessup, Leland Finley and Martha McCune.

## Delightful House Party

A few of the friends of Miss Velda Nimmo enjoyed a merry week-end house party at her attractive home at 112 Lyons Street.

A dinner party was the starting point of the pleasant affair and a trip to Balboa, Saturday evening, added to the entertainment of this congenial company.

Miss Nimmo's guest list included Miss Elsie and Nita McDonald, Edna Rossier, Marian Gardner of Santa Ana and Misses Rachael Melt and Merle Garner of Artesia.

Mrs. Nimmo, who is very popular with the friends of her daughter, assisted her in giving the guests a good time.

## Military Euchre Party

The military euchre party given by Mr. and Mrs. F. G. Taylor some time ago, proved to be such a delightful innovation to the regular card parties that it was decided to organize a Military Euchre Club which should hold its meetings on the last Friday of each month until June, when they will be discontinued until October.

Taylor's grill rooms were chosen as the regular meeting place and hereafter dinner will be served preceding the session at cards. No prizes will be awarded until the close of the season, when the two tables holding 'highest score' will be rewarded, scores being kept secretly until the final count.

The balcony was appropriately draped with American flags Friday evening and at the close of the interesting diversion, a delicious two course supper was served.

Mr. and Mrs. Worden, Mr. and Mrs. Burge, Mrs. Knowles and Mr. Perry Richards were guests last evening of the club members of which include Mr. and Mrs. G. S. Briggs, Mr. and Mrs. J. P. Baumgartner, Dr. and Miss

Rosa Boyd, Mr. and Mrs. F. P. Clark, Mr. and Mrs. A. J. Crookshank, Mr. and Mrs. L. J. Carden, Dr. and Mrs. J. I. Clark, Mr. and Mrs. W. L. Diemling, Miss Charlotte Dresser, Mr. and Mrs. W. L. ## At Country Home

The boys of Jasper Osborne's Sunday School Class of the First Presbyterian Church were given a "real" treat Saturday when Homer Anderson invited them to spend Saturday afternoon and evening at his home at East Garden Grove.

The trip was made via automobile, and such fun as those boys enjoyed with baseball, football, vaulting stunts and a flourishing ranch to explore! Their teacher arrived in time for the bounteous supper which was served at a long table, decorated with masses of smilax and mustard blossoms, and spread beneath a giant glycine tree.

Mrs. Della Anderson had thoughtfully counted on the appetites of these hungry boys and had prepared an abundance of delicious tamales, pie, baked beans, hot buns, fresh butter and home-made cookies, and altogether the company had such a glorious time that they are hoping for a repetition of the affair in the near future.

## The Outdoor Organ

### San Diego Exposition

This wonderful instrument, presented by John D. Spreckels to San Diego, is a marvelous musical medium and is alone in the world as an organ standing in the open. Concerts are given daily in the Plaza on the Exposition grounds. People travel to Europe to see less notable things, and yet it is but \$5.00 away from Santa Ana—that is the Santa Fe excursion fare for three months.

## NEWS BUDGET OF VILLA PARK

VILLA PARK, March 29.—Miss Stella Ward, who is visiting with Mrs. Bathgate, spent last Saturday and Sunday in Santa Ana as the guest of Miss Fannie Hasty.

Bronson Holditch was taken to Los Angeles last Friday, where he underwent an operation for appendicitis. He was in a very serious condition, the appendix having burst before the operation was performed. He is not entirely out of danger yet, but was able to be moved from the ward to a private room yesterday and the doctor said that if no new complications arose he would rapidly recover now.

Mrs. Elma Lee is enjoying a visit from her aunt, Mrs. Cox, of Whittier. The St. Patrick's dance held at the hall last Friday evening was well attended and all report a very good time.

Miss Elizabeth Lee entertained her cousin Miss Way, last week-end.

The Modern Priscillas met at the home of Miss Elizabeth Lee on Wednesday of this week. The afternoon was passed pleasantly with the usual needlework and conversation. Delicious refreshments of hot biscuit, potato salad, fruitade and tarts were served by the hostess at the close of the afternoon. Plans for the annual meeting in May were discussed. Miss Stella Ward, Miss Fannie Hasty, Mrs. Carl and Mrs. Chas. Thomson were guests of the club.

## Explosive Coughs Fairly Rack You to Pieces

Foley's Honey and Tar is Just Like Oil on Troubled Waters for those Violent Racking Coughs.

They rasp and strain your throat, tear at your chest and inflame the blood in your neck and head, almost strangle you, leave you weak and fairly exhausted. Often they are a symptom of such grave diseases as bronchitis, pleurisy, pneumonia—even tuberculosis.

"Oh, for a bottle of FOLEY'S HONEY and TAR to stop this awful coughing."

FOLEY'S HONEY AND TAR COMPOUND spreads a healing, soothing coating as it glides down the raw inflamed throat. It loosens the cough, brings the phlegm up easily. Takes away that tight feeling across the chest, and eases stuffy, wheezy breathing and hoarseness. A dealer of Toledo, Ohio, (name furnished) who has sold FOLEY'S HONEY AND TAR for years, writes: "One of my customers came into store to use long distance telephone. He was coughing so violently that he could not talk. I sat him down and gave him a bottle of FOLEY'S HONEY AND TAR, and in 10 minutes he had recovered. He had been unable to work for three months, due to this cough. He says FOLEY'S HONEY AND TAR relieved him entirely of this trouble."

S. MARTIN, Bassett, Neb., writes: "I had a severe cough and cold and was almost past going. I got a bottle of FOLEY'S HONEY AND TAR and used it frequently, when having violent coughing spells, and am glad to say it cured my cough entirely and my cold soon disappeared."

Contains no opiates. Absolutely a pure medicine. Refuse substitutes.

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-Lika, the remedy which became famous by curing appendicitis, is a great favorite with Santa Ana people. Adler-Lika acts on BOTH the lower and upper bowel and drains off such surprising amounts of food matter from the body that A SINGLE DOSE relieves sour stomach, constipation and gas on the stomach almost IMMEDIATELY. ## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggy, just an application of two of Sage and Sulphur enhances its appearance a hundred-fold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wyeth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.—Advertisement.

# A Message To Women

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

Made Me Well and Strong.

MACEDON, N. Y.—"I was all run down and very thin in flesh, nervous, no appetite, could not sleep and was weak, and felt badly all the time. The doctors said I had poor blood and what I had was turning to water. I took different medicines which did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong, and I am recommending it to my friends."—Mrs. FRED CHACE, R. No. 2, Macedon, N. Y.

The Change of Life.

BELTSVILLE, MD.—"By the use of Lydia E. Pinkham's Vegetable Compound I have successfully passed through a most trying time, the Change of Life. I suffered with a weakness, and had to stay in bed three days at a time. Lydia E. Pinkham's Vegetable Compound restored me to perfect health, and I am praising it for the benefit of other women who suffer as I did."—Mrs. W. S. DUVALL, Route No. 1, Beltsville, Md.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs. It has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO., (CORP. IN MASS.), for advice. Your letter will be read and answered by a woman and held in strict confidence.

## ORANGE COUNTY SCHEDULED TO HAVE PUBLIC DEFENDER

According to program at Sacramento, Orange county may have a public defender. The law as proposed will provide for the office, the Board of Supervisors to determine whether or not an appointment shall be made. The office is to be held by an attorney and will pay \$100 a month.

In the January session of the Legislature, a bill was introduced creating the office of public defender in each of the first ten counties of the state. Orange county is in the fourteenth class. At a banquet of the Bar Association of Orange county the proposal to extend the list to include Orange county was given endorsement in a number of addresses. Attorney H. C. Head opposed the plan. Assemblyman J. C. Burke stated at that time that the bill is a popular one in Sacramento.

That the bill is not quite as popular as it was in Sacramento is indicated in the Sacramento dispatch reading as follows: "The office of public defender in the counties of the state to take legal

cases of persons too poor to hire an attorney is created in a bill by Senator Lyon, which was whipped into final form and recommended for passage by the Senate Judiciary Committee. Three votes were cast against it in committee, and a lively contest is expected on the floor.

"Under the bill, salaries of the public defenders in the principal counties would be: San Francisco, \$3000; Alameda, \$3000; San Diego, \$1800; San Bernardino, \$1800; Kern, \$1800; Orange, \$1200. Nominal salaries of \$60 a year are named for Fresno, Santa Clara, San Joaquin and most of the remaining counties, their legislative representatives having declared that few of them will care to establish the new office. Election of the public defender is put in the hands of the boards of supervisors and it is optional with them whether the office will be created."

## AT THE COURT HOUSE ENCOUNTER WITH JUDGE THOMAS FORGOTTEN

When Clyde Morris was before Judge Thomas this morning, Morris declared he could not remember an occasion in which he bristled up to Judge Thomas with clenched fists and told the judge "he would eat him up." However, the judge remembers the occasion and all the conversation.

"Here is where I get back at you," said the judge. "I will get back at you by giving you a chance."

Morris was before Judge Thomas on a charge of being a habitual drunkard. Judge Thomas sentenced him to two years in Patton, but withheld commitment during good behavior.

"If you break over, and have to go to Patton, you will be sending yourself there—I won't be doing it," said the judge.

Morris was quizzed as to where he got his liquor. He said that he did not know where to go to get it in Santa Ana, but he paid several different men to buy it for him.

"What are their names?" asked the judge.

"I don't know," replied Morris. "Do you remember having a conversation with me several months ago in the sidewalk in front of Joe Tillotson's store?"

"No, I don't." "Well, I do. You did not know who I was when you began saying that you would vote for California dry if it would prohibit. You said that in ten minutes' time you could go out in Santa Ana and get all the booze you

could carry away. I told you that any person who had knowledge of such flagrant law-breaking as you told about and did not give that information to the officers was not a good citizen. Do you remember that?"

"No, judge, I don't."

"And you clenched your fists and came up to me and with an oath said that if I said you were not a good citizen that you would eat me up."

"Judge, if I ever said anything like that it was the booze, all right," continued the judge. "Further, do you remember that I repeated my former statement, and that you finally cooled down, that then I told you I was the judge of the superior court and you got profusely apologetic?"

"No, judge, I don't remember a bit of what you have been talking about."

"This is where I get back at you, Morris," said the judge. "I'll give you a chance."

Morris promised never to touch another drop of liquor.

**Habeas Corpus**  
An unusual case is having a hearing before Judge Thomas. It concerns an arrest under a little used law whereby Walter Revell was arrested Saturday for failing to disclose the whereabouts of an automobile concerned in a action brought in claim and delivery by Talbert and Hoge of Huntington Beach against Revell, alleging that the affidavit upon which the arrest was made is not sufficient. Attorney Blodgett of Huntington Beach appears for Sheriff Jackson.

## THREW A ROCK AT MOTORCOP

When Motorcycle Officer Roy Ballard was riding near Westminster yesterday, a big rock was thrown at him. The rock was big enough and Ballard was riding fast enough to have laid him out had the rock landed on him. It glanced against the motorcycle.

When Ballard stopped his machine and returned to the place, the assailant, Harold Craig, had disappeared. A search was made by Ballard and later by deputies from the sheriff's office, but Craig, aged 17, could not be found. Today his father told the officers that when he finds the boy he will bring him in.

The boy's father says that his son has given him a good deal of trouble.

## CHILDREN HATE OIL CALOMEL AND PILLS

"California Syrup of Figs" Best for Tender Stomach, Liver, Bowels

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only the delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.
